4.2. All the matches are played till the win in two sets, each set till 25 points (with the difference of 2 points), if necessary – then a tie-break set is played till 15 points (with the difference of 2 points).

4.3. Both in Men's and Women's tournaments during the round robin the max of 12 teams are divided into 2 to 4 pools. Each team plays against each other in its Pool to find out the top teams, to qualify to the play-off round. Top 8 teams among all – qualify to the play-off round, while the rest teams participate in the relegation

tournament. More precise competition scheme to be announced when exact final number of participating teams is known.

- 4.4. During the round robin the following points awarding system is used: 2 – for a win, 1 – for a loss, 0 – forfeit for not showing up and not informing chief referee;
- 4.5. The classification of standing in the pools is done as following – the higher ranked team is decided by:
 - 4.5.1. Number of wins
 - 4.5.2. Won/lost points ratio
 - 4.5.3. Won/lost sets ratio
 - 4.5.4. Most scored points
 - 4.5.5. If there is a need to define the best 1st, 2nd or 3rd ranked team among the pools and the number of teams across the pools is different, then for the comparability purposes – for the team(-s) in the pool(-s) with the biggest amount of teams do not take into account the result of the match against the last ranked team in the pool.
